

Floor Designer/ Estimator, Crendon Timber Engineering, Long Crendon

Crendon Timber Engineering is a leading designer and manufacturer of engineered timber products. Operating from eight sites around the UK, its Timber Engineering business designs and manufactures Roof Trusses and Engineered Floors.

Role

We are looking for a Design/Estimator to join our team based in Long Crendon. The role offers a great opportunity for someone with design or estimating experience to ensure detailed and accurate quotations and designs are produced for CTE products and meet customer requirements.

Responsibilities

The successful candidate will become a part of one of the leading designer and manufacturers of Timber products, your technical ability to design must be complimented with a high level of salesmanship. As such the candidate should be able to demonstrate the following key attributes: -

- Previous experience of working in a similar role.
- Results orientated and able to get it right first time.
- Customer focussed with excellent customer service skills.
- Well-organised and able to work unsupervised and prioritise tasks.
- Good communication skills both written and verbal, and able to communicate effectively at all levels.
- Detail conscious and able to ensure work is completely accurately and within time constraints.
- Excellent PC skills including experience of MS Office.
- Work within an independent small team on multiple projects
- Manage projects and support clients
- Development Opportunities
- Great systems and all the right tools to do the job in a supportive environment
- A refreshing approach to quality customer service that is reflective in the positive outcomes for communities
- Fully committed to insure the best outcomes for customers

In return we can offer the below package along with training where necessary.

Benefits

These include:

- Competitive Salary
- 25 days holiday per year, plus the opportunity to buy and sell
- Health and wellbeing
- Cycle to work scheme
- Long Service awards
- Contributory Stakeholder Pension Scheme
- Life Cover

- Childcare Voucher Scheme
- Great rewards scheme
- Flexible Working Hours
- Excellent investor in People

We believe in employee wellbeing which is the key to its success and great customer service. If your new year's resolution is to start a new phase in your career then come and work for Crendon.

Hours of Work

40 hours per week, Monday to Friday (8.00am to 5.00pm).
