

Sales Estimator, Crendon Timber Engineering, Long Crendon

Crendon Timber Engineering is a leading designer and manufacturer of engineered timber products. Operating from eight sites around the UK, its Timber Engineering business designs and manufactures Roof Trusses and Engineered Floors.

Role

We are looking for a Sales Estimator to join our team based in Long Crendon. The role offers a great opportunity for someone with building experience to support our wide ranging customers with site measures and quotations. We are a fast-growing business who takes our people development responsibilities seriously. As part of this investment in people, we will provide the training and the tools needed for the role.

Responsibilities

These include (but are not exhaustive):

1. To maintain customer liaison and provide a knowledgeable technical service both from the branch and as part of site visits.
2. To interpret customer requirements and prepare appropriate quotations and provide any technical details that may be necessary.
3. To generate enquiries from new and existing customers, to follow up quotations and obtain orders on behalf of the Company.

Attributes

Essential

- Previous experience of working in a similar role.
- Results orientated and able to get it right first time.
- Customer focussed with excellent customer service skills.
- Well-organised and able to work unsupervised and prioritise tasks.
- Good communication skills both written and verbal, and able to communicate effectively at all levels.
- Detail conscious and able to ensure work is completely accurately and within time constraints.
- Excellent PC skills including experience of MS Office.

Benefits

These include:

- Competitive Salary
- 25 days holiday per year, plus the opportunity to buy and sell
- Health and wellbeing
- Cycle to work scheme
- Long Service awards
- Contributory Stakeholder Pension Scheme
- Life Cover
- Childcare Voucher Scheme
- Great rewards scheme
- Flexible Working Hours
- Excellent investor in People

We believe in employee wellbeing which is the key to its success and great customer service. If your new year's resolution is to start a new phase in your career then come and work for Crendon.

Hours of Work

40 hours per week, Monday to Friday (8.00am to 5.00pm).

Further Information

Location – Long Crendon, Aylesbury
