

Finance Business Partner (Regional), CTE- Can be based out of Long Crendon, Castleford or East Harling

Crendon Timber Engineering is a leading designer and manufacturer of engineered timber products. Operating from eight sites around the UK, its Timber Engineering business designs and manufactures Roof Trusses and Engineered Floors.

An exciting opportunity has become available for a Regional Finance Business Partner to join the team! This role is pivotal in ensuring strong communication between the branches and the finance team. Being a regional role, the successful candidate will hold responsibility for the three sites within the companies East division; Long Crendon, Castleford and East Harling.

What will you be doing?

You will be the face of finance for the East division branches; the finance team is based out of our Head Office in Long Crendon so the other branches will only tend to see you on a regular basis! You will be required to support the Branch Managers and ensure their action plans are updated and recorded upon appropriately. Working amongst both the commercial and operational teams you will report on sales and order margins and provide branch forecasts. There may also be times where you will be required to train branch employees on the key systems that we use within the business!

You will also liaise with the accounts departments on month end management accounts and support with yearend accounts preparation and will meet with the rest of the team to attend and contribute towards the monthly finance update meetings.

Who are we looking for?

You will be passionate about finance and have experience of working within a multi-site role. You will also be highly organised, have the ability to manage and prioritise a varied workload and enjoy dealing with people- our branch managers will come to you with their finance queries!

What can we offer?

In return for your hard work as a Finance Business Partner, you can expect to receive a whole host of great rewards and benefits which include a competitive salary, a company car, bonus scheme, 25 days holiday and more! For more information on the benefits we offer, please visit

www.crendon.co.uk!

If you feel you have the necessary drive and enthusiasm to lead managers within this fast-paced environment we would love to hear from you! Please apply by sending your CV and Covering letter to careers@crendon.co.uk.
