

Crendon Timber Engineering

Location: Long Crendon

Job Title: Factory Operative (Setter)

Hours of Work: 45 hours per week, Monday to Friday

Salary: Competitive

The Role

An exciting opportunity has become available for a Factory Operative (Setter) to join our team in Long Crendon. We are looking for an individual who is passionate about exceeding our customer's expectations and providing exceptional service. Working as part of a small team to meet our production targets, you will be an integral part of the business.

You will be expected to take full ownership of hitting production on a daily but more importantly weekly basis. You could be directing the work flow of up to two other setters/operatives. This really is a stand up and be counted role.

What do we offer?

At Crendon Timber Engineering, we know that our people are the key to our success. We strive to have the very best people, who are motivated and inspired to provide the best possible service every day which is why all our staff are provided with a reward package that recognises their hard work and commitment.

We work hard to continuously improve our exciting reward package, taking into consideration the view of every single employee to make sure we remain an industry leader.

Some of the highlights of the fantastic benefits and rewards you can expect include:

- 30 days holiday per year (inclusive of bank holidays) rising to 33 after one calendar years' service (Jan to Dec)
- Fitness discounts
- Eye care vouchers
- Health and wellbeing – mental, physical and financial wellbeing portal
- Cycle to work scheme
- Long service awards
- Amazing savings and discounts for employees and their families at over 900 retailers, restaurants and holiday companies
- Employee referral scheme

Responsibilities

- Contributing to all stages of the manufacturing process when required
- Working in a fast-paced environment to ensure targets are met with focus on quality and efficiency
- Hands-on operation responsibility
- Willingness to learn new skills and work closely with others to enhance your skillset
- Following all health and safety procedures implemented throughout the workplace (social distancing, one-way systems, safe operating procedures, regular hand sanitising)
- Wearing of appropriate PPE (safety shoes, goggles, hearing protection, hi vis, etc)

Essential Criteria

- Excellent track record of timekeeping and attendance
- Legal entitlement to live and work in the UK with valid identification
- Experience of working in a fast-paced organisation and working towards targets
- Co-operative, friendly and outgoing personality
