

➤ Job Vacancy Branch Manager

Location: Long Crendon, Aylesbury

Salary: Competitive + Company Car/Car Allowance + Bonus Scheme

Crendon Timber Engineering, part of the Wyckham Blackwell and Keystone Group of Companies is seeking a **Branch Manager** to lead an existing successful team based at our Manufacturing and Design Facility at Long Crendon. We are looking for an individual with strong leadership qualities, is commercially experienced and thrives on exceeding targets to achieve our business expansion plans.

Position Overview

Crendon Timber Engineering design, manufacture and supply trussed rafter roofs, gable panels, party wall panels, metal open web and I Joist Floors to the housing, commercial and local builder markets. You will be responsible for leading the branch teams to meet all agreed standards and targets in financial performance, quality, customer service, productivity and health & safety.

Key Responsibilities

- **Financial Performance** - Exceeding branch budgets, reviewing financial performance and key performance indicators then communicating progress to team members.
- **Leadership & Management** - Providing strong and inspirational leadership to the commercial and operational teams.
- **Customer Service** - Delivering excellent customer service using best practice processes ensuring products are delivered On Time and In Full.
- **Operations** - Delivering agreed performance standards in manufacturing, stock management and transport planning.
- **Health & Safety** - Promoting responsible attitudes and developing a culture of zero incidents.

What do we offer?

In addition to a competitive salary and bonus scheme, you will also benefit from:

- Being part of One of the UK's fastest growing Timber Engineering Companies with a wide internal support network for all non-trading systems and functions.
- 30 days holiday per year (inclusive of bank holidays) rising to 33 after one calendar years' service (Jan to Dec).
- Company Car/Car Allowance.
- Annual Bonus Scheme.

Applications

Please email your CV along with a covering letter advising of your current rewards package/your salary expectations to: tim.wilson@crendon.co.uk (Regional Director – Crendon Timber Engineering).
