

Certificate of conformity of the factory production control

1245-CPR-3105

This certificate applies to the construction product

Prefabricated timber structural members assembled with punched metal plate fasteners

for buildings under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+ by

Wyckham Blackwell Limited T/A Crendon Timber Engineering Ltd

and produced in the manufacturing plant

Abergarw Trading Estate, Brynmenyn, Bridgend, CF32 9LW

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 14250:2010

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above. This certificate was first issued on **30 July 2021** and will remain valid if the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified.
