

Job Vacancy

National Key Account Design Team Senior Designer

Location: Home based

Hours of Work: 40 hours per week

Salary: Competitive + Bonus Scheme

The Role

An exciting opportunity has arisen for an individual to join the National Key Account Design Team as a Senior Designer. As a key part of the sales function, reporting to the Sales Director, you will be dealing with National and Regional Housebuilder customers providing estimating and design from initial enquiry to build completion.

Role Responsibility

Your responsibilities will include:

- Providing customers with quotations
- Secure orders
- Navigate approval process
- Customer visits
- Support sales team tech meetings
- Keep grids up to speed, up to date and tidy
- Keep work to platinum global in Vietnam
- Produce construction issues layouts

Skills Required

- Driven and motivated, but able to remain calm under pressure situations.
- Able to plan and prioritise your workload according to customer and business needs.
- Detail focused, able to determine and achieve the correct level of required detail whilst also working to deadlines.
- Experienced designer with intricate knowledge of roof truss design and relevant practices.
- Good appreciation and understanding of factory production and on-site installation processes, showing consideration towards both during the design process.
- Proficient user of specialist roof truss design software (ideally Mitek Pamir).

What do we offer?

We work hard to continuously improve our reward package, taking into consideration the view of every single employee to make sure we remain an industry leader. Some of the highlights of the fantastic benefits and rewards you can expect include:

- Generous holiday allowance
- Bonus scheme
- Health and wellbeing – mental, physical, and financial wellbeing portal
- Long service awards
- Employee referral scheme
