Truss-Tech Ltd.

Wyckham Blackwell and The Keystone Group are delighted to announce their joint Acquisition of Truss-Tech Ltd on the 4/1/22. Truss-Tech will be integrated into our Crendon Timber Engineering business during 2022 to assist us to provide an enhanced service and product offering for our existing and new customers in the North of England.

Stephen Thompstone, Wyckham Blackwell Group CEO stated,

> "The Truss-Tech business and team have a great reputation for service and quality which I believe will be a perfect fit with our Crendon team culture and geographic fit with our existing branch locations."

Sean Coyle, The Keystone Group Chairman commented,

> "The Keystone Group gives a warm welcome to all of our new colleagues at Truss-Tech, we are looking forward to working with everyone to develop the many potential synergies with our Group businesses."

Dave Smith, Truss-Tech Managing Director stated,

> "I am delighted that our business that we set up 30 years ago is now joining with Crendon Timber Engineering, I have every confidence that this will be hugely positive for all of our employees and customers."
